Parent Information

Parent Meeting: August 8th immediately following the Sports Information Night held in the auditorium.

1st day of Practice: August 13th at Midnight will be the 1st practice. All are welcome to come and watch as we kick off our season.

Player Meeting/Equipment Checkout: August 12th at 10:00 pm. We will have our player meeting and check out equipment prior to our 1st practice at Midnight. This meeting is very important, as we will be completing requirements to start practicing. This does not include physicals. Physicals must be turned into the office prior to your child practicing.

More information: Below you will find our Fall Camp practice schedule. This year we will have new Maroon Uniforms for our home games. With the new uniforms the pants no longer have belt loops for hip pads and tail pad. Therefore, athletes will need to purchase a girdle to wear underneath their pants. Girdles can be purchased at most sporting goods stores or through the BSN Link below by August 3rd.
