## Counselor's Corner

### September Core Virtues: Respect & Responsibility

Please continue to talk with your child(ren) about being respectful and responsible. At the end of the month each teacher can nominate one student from their class that has exhibited both these core virtues. Those students will receive a certificate and a small token of appreciation from me.

Weekly Tip: Practice using respectful words throughout the day. "Please and Thank You," "Yes ma'am and No sir," starting a question with "May I.." Model using these for your child(ren) so they know when to use them and so they hear them more often.
