A Change in Parent/Teacher Conferences on February 22

We will be conducting "invitation only" Parent/Teacher conferences on February 22. Teachers will be contacting a selected group of parents to have a more in-depth conversation on the 22nd. The range of topics could be related to great improvement in academics or behavior to a concern about those same topics. With a smaller number of conferences we hope to have more time to work together.

Of course, at any time if you would like to meet with your child's teacher, don't hesitate to contact them and schedule a time to come in, this can happen at any time!

No School on Friday, February 23

There will be no school for elementary students on Friday, February 23, 2018. School will resume on the normal schedule on Monday, February 26, 2018.

BIKERS WANTED!!

With Spring quickly approaching, I am looking for adult volunteers for our Bike Club. For the last two years, we've had 50+ students, grades 2-5, participate. I am looking for a minimum of 5 adult volunteers for each meeting date. Our meeting day will be after school on Mondays from 3:30-4:30 pm. Our tentative dates will be every Monday in the month of April: 4/9, 4/16, 4/23 & 4/30. You must have a bike and a bike helmet. Please contact me if you are willing and able to help!

Counselor Corner

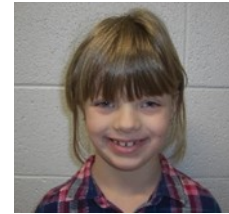

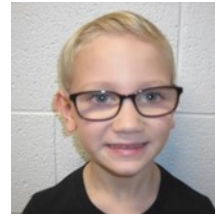

Our society has, yet again, experienced a devastating school shooting on Wednesday, Feb 14, in Parkland, FL. I encourage you to sit down and talk with your child(ren) about this. They know about this. They are talking about it. We (HES staff) have heard them and have been asked questions by them. It's important to let them ask questions and process the information, as well as their own thoughts and feelings on the subject. By talking with them, it also allows you to help them separate fact from fiction and discuss that not everything posted on social media and reported on certain news channels/sites is factual and true. Use this as a way to further open the lines of communication with your child(ren). It is scary and it is sad, but it is a part of our reality and we cannot ignore it.
